

Module 3 Checklist

☒ Read Chapters 4 & 5 in your textbook

☒ Review the Chapter 4 PPT

☒ Read the article: The Role of Needs Assessment in Program Planning and Evaluation

☒ Review the Chapter 5 PPT

☒ Read the article on Practice Guidelines for Social Work

☒ Complete the IRIS Module: Identifying and Selecting a Program

You will only submit your responses to the IRIS module if you choose this option for the module 3 activity

☒ Engage in the module 3 discussion

☒ Complete the module 3 choice activity

Module 3 Choice Activity

Choose one (1) of the following activities to complete and submit to the Dropbox. Please include "module 3 activity" in the file name when you upload your work.

- Create a graphic organizer that illustrates/explains how a program scope and an action plan are different. Include real-world or hypothetical examples within your illustration to support your explanation
- Using an actual intervention program, identify and describe the target population, goal and outcomes, determinant, and intervention.
- Complete the IRIS module: EBP Part 1: Identifying and Selecting a Program. Submit your responses to the assessment questions at the end of the module.

☒ Complete all tasks and submit the module 3 checklist to the Dropbox
